

2020 Parade Sponsorship Opportunities

When your business sponsors the 2020 St. Patrick's Day Concrete Mixer Parade you not only gain visibility but give to a great cause in the process.

Each sponsor will have their selected information displayed on one of SD Ireland's concrete mixer trucks during the parade on March 17, 2020. Depending upon your sponsorship level, your company's logo will appear anywhere between 1 and 5 times or can be placed on multiple trucks. The logo will remain on the truck for one month after the parade giving you valuable exposure not only in Chittenden County but all over Vermont.

Sponsorship Packages
